PORTFOLIO: <https://dennis-magaki.is-a.dev>

Results-driven Software Developer with strong experience in front-end web development, responsive UI/UX design, and modern JavaScript frameworks including React and Next.js. Skilled in building scalable, user-friendly web applications using TypeScript, Tailwind CSS, and modern development workflows. Experienced in collaborating within agile teams, refactoring codebases for maintainability, and designing intuitive interfaces with Figma. Passionate about continuous learning, problem-solving, and delivering high-quality digital experiences.

TECHNICAL SKILLS

Front-end Development:

- HTML5, CSS3, JavaScript (ES6+)
- TypeScript
- ReactJs
- NextJs
- Tailwind CSS
- Responsive & Mobile First Design.

Back-end Development & Database Management:

- NodeJs
- ExpressJs
- Supabase(PostgreSQL)
- Firebase Firestore
- XAMPP

Tools and Technologies:

- Git and GitHub/GitLab
- Figma
- RestAPIs
- MS Office Suite

PROFESSIONAL EXPERIENCE

Front end Developer (Intern)

Dukatech Solutions | Nairobi, Kenya

August 2025 – October 2025

Key Responsibilities & Achievements:

1. Developed responsive and mobile-first web interfaces using React, Next.js, Tailwind CSS, HTML5, and CSS3.
2. Refactored existing codebases to improve maintainability, readability, and performance.
3. Collaborated with development teams using Git and GitHub for efficient version control and workflow management.
4. Designed wireframes, mock-ups, and UI concepts using Figma before implementation.
5. Contributed to improving user experience through clean, accessible, and modern interface design.
6. Worked on multiple personal and collaborative projects to strengthen technical and problem-solving skills.

I have also worked on various personal projects which have helped me learn and grow as a software developer.

EDUCATION

Bachelor's Degree

Business Information Technology – Zetech University

September 2022 – November 2025

CERTIFICATIONS

Software Development – Modcom Institute of Technology

May 2022 – August 2022

PROFESSIONAL STRENGTHS

1. Strong problem-solving and analytical thinking.
2. Excellent collaboration and teamwork skills.
3. Fast learner with adaptability to new technologies.
4. Strong attention to detail and code quality.
5. Effective communication and interpersonal skills.
6. Ability to work in agile and fast-paced environments.
